ROTI PLACE

was opened in 2015 by a Malaysian craving a taste of home. We want to share the flavours of Malaysia to the people of Brisbane through our food. We proudly offer authentic Malaysian street food favourites such as Roti Canai, Nasi Lemak, and Char Kuey Teow. As well as iconic Malaysian dishes Bak Kut Teh (Pork tea), Hainanese Chicken and Malaysian Kam Heong crab, which is wild caught from the Gold Coast. From humble street food beginnings, our signature roti is freshly prepared in house daily and can be seen flipped to order in our open roti kitchen. Roti is crispy, flakey flatbread served both savoury and sweet and is a favourite for all Malaysians. Try our iconic Roti Canai for a savoury option or our popular Mount Roti topped with condensed milk for something sweet. Our menu is ideal for sharing family style, just like we do back home. Gather your friends and loved ones, order a few dishes and don't be afraid to get your hands dirty!
